

WORKSHOP

Handmade Beauty with Rose Oil

This workshop is about creating your own natural beauty products with the therapeutic properties of the traditional Bulgarian Rose essential oil.

Crafting in a friendly open air environment (depending on weather conditions) with a professional laboratory glassware and white protective clothes.

◆ INTRODUCTION

Introduction of the workshop conductor allowing people to learn the kind of beauties is going to be crafted.

◆ SAFETY INSTRUCTION

Before every workshop, we briefly check if there are people in the group with allergies and then everyone informed of the basic safety measures while crafting cosmetics.

◆ PREPARATION: HERBAL OIL

Before starting crafting every participant will prepare herbal (Calendula/ Chamomile) infused Grapeseed oil which will be used in creating their own beauty products.

◆ 1st PRODUCT: ROSE DEODORANT

Create an all-natural deodorant- free of chemicals and artificial aromas.

◆ ROSE BREAK

Everyone will be able to discuss and enjoy a cup of aromatic rose water.

◆ 2nd PRODUCT: ROSE BODY BAR

The second product participants will craft is a hard body lotion bar.

◆ 3rd PRODUCT: AGELESS ROSE SERUM

The last product is a beautiful and easy to make Anti-age Gel Serum for face and neck with the delightful aroma of the Bulgarian Rose oil.
